

Whitefield News

Thanks to our advertisers

Last Newsletter

October 2022

The Whitefield Newsletter is officially completed. We would like to thank everyone that supported, volunteered, and contributed to the effort every month since July of 2013.

This was a difficult decision for all involved, but we feel that it is time to stop. We are very thankful for all the kind words and appreciation we have felt from our readers and can't tell you what a great experience this has been.

Thanks again, The Newsletter volunteers.
