

TOWN OF WHITEFIELD

EMS & Firefighting Taskforce

MINUTES

December 12, 2022

6 p.m.

Present: Aaron Miller, Sue McKeen, Charlene Donahue, Frank Ober, Judi Ekholm, Erik Ekholm, Louie Sell, Julie Cowles and Jesse Barton (brief)

1. Review of Nov. 11, 2022 minutes
There were no additions or deletions.
2. Old Business
 - a. Signs
Aaron asked about removal of the help wanted signs prior to snow plowing. Louie said that the signs have already been removed.
 - b. Christmas Party
Sue reported the Christmas Party and Open House is planned for Dec. 17 from 4-6 p.m. at central station. The Lion's Club is providing a Santa suit and Louie has donated a Christmas Tree. Maury will provide hot chocolate; Louie and Steve cider; Sue and Jane McMorrow purchased gifts; Julie will help wrap and Charlene will speak with April Caper about leading Christmas Carols. There is a need for napkins and cups and for someone to take the lead on the program itself.
 - c. Training Facility
After discussions with fire department members, Aaron suggested construction on the north side of the station. This will allow visibility in the community. Erik suggested construction between the fire station and town office based on a master plan for the fire station and potential concern from a neighboring property owner. This matter will be revisited at the next taskforce meeting.
