Dear Yolanda,

On behalf of the staff, volunteers and patrons of the Whitefield Library, I want to thank the town for the generous donation of \$15,000 to cover the salaries of our two paid employees.

We continue to grow and see more and more of our friends and neighbors utilizing the library. It's very exciting!

We appreciate the support of the select board, the budget committee and the voters. And thanks to you and your staff for making it all happen! Best Regards,
Mary Kemmery, Treasurer
